Copyright Information

Submission of a manuscript implies:

- that the work described has not been previously published (except in the form of an abstract);
- that it is not under consideration for publication elsewhere;
- that it has been approved by all co-authors, if any, as well as by the responsible authorities at the institute where the work was carried out;

- that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of copyright to the Taiwan Association of Obstetrics and Gynecology;
- that the manuscript will not be published elsewhere in any language without consent from the Taiwan Association of Obstetrics and Gynecology;
- that written permission has been obtained by the authors from the copyright holders of material used from other copyrighted sources.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article, as well as translation rights. No part of this publication may be reproduced, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, by photocopying, recording, or otherwise, without prior written permission from the Taiwan Association of Obstetrics and Gynecology.
