The authors regret an error and would like to issue the following correction. In the Clinical patient section of Case presentation, the sentence as published reads: “At birth, the baby weighed 2330 g (**>97 percentile**) and measured 42 cm (<3 percentile) in height with Apgar scores of 7 (1 min) and 8 (5 min). The head, thoracic, and abdominal circumferences were 33 cm (15–50 percentile), 25 cm (<3 percentile), and 27 cm (<3 percentile), respectively.” should instead read: “At birth, the baby weighed 2330 g (**10–25 percentile**) and measured 42 cm (<3 percentile) in height with Apgar scores of 7 (1 min) and 8 (5 min). The head, thoracic, and abdominal circumferences were 33 cm (15–50 percentile), 25 cm (<3 percentile), and 27 cm (<3 percentile), respectively.” The authors would like to apologize for any inconvenience caused.
